## "Sour Dough Bread"

~ 700 Gr. - MYR 24.00

**Sourdough Bread** is a delicious and rewarding type of bread. It's known for its tangy flavor, chewy texture, and crisp crust. The key ingredient is a sourdough starter, which is a live fermented culture of flour and water that helps the bread rise naturally without commercial yeast.

## "Swiss Zopf"

~ 450 Gr. - MYR 14.00

**Zopf** is a type of Swiss Bread made from white flour, milk, eggs and yeast. The Zopf is typically brushed with egg yolk, egg wash or milk before baking, lending it its golden crust. It is baked in the form of a plait and traditionally eaten on Sunday mornings. The Swiss name is derived from the shape of the bread, meaning "braid" or "pigtail." Swiss Zopf differs from other braid-shaped breads by way of being unsweetened
